

our Lords presence. He is currently understudying the Cantor's (worship leader) duties within a Messianic context. Jonathan and I are encouraged as our individual ministries intertwine. While I am currently engaged in lecturing and now well into my Doctoral degree studies, Jonathan has decided to start his Masters degree in Ministry Administration and Business. This will really be a blessing toward the ministry, in many ways.

● **COMPUTER PRAISE REPORT:** EGIM has been able to purchase a laptop computer, thanks to contributions to this ministry. Babette will now be able to use this for ministry newsletters, contact info, internet research, her doctorate degree, and updating you on EGIM news.

## INTERNATIONAL NEWS:

● **We ordained Irene from Paris, France** under EGIM over three years ago and have been mentoring her since then. Upon her return to France, she and her family were led by the Lord to move to a city called Poitiers, where they have been ministering and reaching the "unsaved." They have asked me to come over to baptize the new believers. Now here is a strange story. I recently received copies of my families lineage, from the 1600's. In 1638 a man named Jean Prieur du Plessis left the city of Poitiers in Poitou, France and traveled as a ships surgeon to the Cape Of Good Hope in South Africa, my land of birth. Yes, this is my family, and this is where they come from. Since my father had only three daughters, I being the youngest am the last in this lineage of du Plessis'. I am praying for a way to be made for me to go and minister, encourage, preach and baptize people in this same town, the very one my family originally came from. Please keep this in your prayers - the Lord is in control, and I am expectant!

● **Adonai Roi Congregation, Tel Aviv Israel.** We continue to pray protection especially over 15 of this congregations members who are in the Israeli army: *Alon, Ariel, Luke, Haim, Moshe, Michael, Maggie, Anina, Shulamite, Natalie, Jonathan, D'vorah, Veronique, Ya'ar, Noam, Guy, Daniel and Tali.*

We also lift up **Pauline and Mike Williamson** and their family, Messianic Missionaries, bringing the good news of Jesus to Jews on the streets of Tel Aviv. (We are also collecting finance for a washing machine (\$300.00) for this family who have 5 wonderful teenagers!

● **We continue to pray for salvation for the people in Israel, Lebanon, Southern Africa, United States, British Isles and European countries, Australia and New Zealand and south Pacific islands, India and south Asia.** Our prayer extends to all those under the demonic yoke of Islam, we pray salvation, blessings and spiritual and physical freedom in Jesus Name, AMEN!
