A New Season of 'Coming Up Higher'

We have been shifting into a new season. During this time we have been asking for biblical 'Aarons and Hurs' to come along side us, as we lead Eagles Glide Ministries forward into further ministry, increase and outreach. For intercessors to partner with us, and uplift our arms as we step out faithfully to do what the Lord has called us to do – *"for such a time as this."*

Jonathan and I have had our faith stretched as we trust the Lord to provide for the needs of the ministry as we continue to serve voluntarily on many levels. We have been hosting services at the Tulsa Messianic Congregation; teaching courses at IB University; continuing our studies (Babette's Doctorate in Theology, and Jonathan's Master's in Ministry Business & Finance); and reaching out into the community.

I know that we are all called to minister, however, the Lord has called us out of the comfortable place of security, and into the unknown (as Abraham was called, to a foreign land). To know Him as our 'all in all', and our source. To go and do what He tells us to do. We have been working with our hands to help finance the work in the ministry. Paul had a 'tent making business', and we have SmartArt studios which has been used as tool to help others in their ministries (If you go to our website you will see how many ministries we have been serving. <http://smartart.name>)

On Oct. 29, at the Eagles Glide Sunday Fellowship, Linda Walker taught on the subject of "Hedging People in Prayer: Protecting and Covenanting with God's People." Linda and Jim Walker, Board Members of Eagles Glide International Ministries, blessed us with a blessing of love and commitment as they covenanted to uphold our arms in this ministry. Linda explained what it means to protect and covenant with people.

It was both humbling for us to receive this, yet this commitment greatly encouraged us in our calling. (To read or download the prayer they daily pray for us, go to: <http://eaglesglideblessings.com>)

HEDGING PEOPLE IN BY PRAYER
 By Linda Walker

The Lord has been dealing with us [*my husband and I*] about the need of Christian leaders to have an 'Aaron and Hur' to hold up their [*Rev.'s Jonathan and Babette*] hands. Exodus 17:11-12 tells us that as long as Moses held up his hands, the Israelites were winning, but he grew tired. Have you ever wondered what would have happened had Aaron and Hur not recognized the need to hold up Moses' hands?

Like Moses who held up his hands to win a battle for the Israelites, the Christian leaders are holding up their hands to win the battle of spreading the word of God to all persons in these last days. They have answered the commandment of Matthew 28: 19-20 to '*go and make disciples of all nations...teaching them to obey everything I have commanded you.*' In addition they provide spiritual leadership for us as well as intercession and prayer for our numerous needs. As the children of Israel depended on Moses to petition God for their provisions, we also are dependent on our spiritual leaders to provide spiritual food, counseling, prayer, etc. There

EGIM SUNDAY LUNCHEON & FELLOWSHIP MEETINGS

We have been discussing, Prayer, Praise, and Worship, using God's Tabernacle as an example when laying down principles of entering into His presence. The letter/blessing that Jim and Linda Walker read over Jonathan and I last Sunday, deeply affected and humbled us by its unconditional love, and covenanted commitment. You will be encouraged as you see it's strategy. We have had tremendous report back from those who have read it.

"I wanted to tell you how, after the first reading of the prayer the impact it produced on me. I was enveloped in love and peace. I understand better..."
